

Come Help Beautify Grant Ranch!

Saturday April 7th, 2018

What: Beautifying the playground and school grounds.
- Repaint the foursquare courts and US Map.
- Landscape the front of the school with flowers etc.
- Removing the tree from the raised garden and landscaping.

Who: You! And AmeriCorp Playworks

When: Saturday April 7th, 2018

Where: Grant Ranch School

Why: In order to perform some necessary upkeep on our school's playground and landscaping, and to give our students, staff, and families the best possible school experience.

We need your support for this! Grant Ranch would like to have a community garden in the future. The more support we have for this activity the faster the community garden can become a reality.

If there are any parents or volunteers that have experience with landscaping and/or would like to help donate some of their time to this service project please email Coach Michelle at michelle.campbell@playworks.org
