A Message from Dr. Hurrieta, Grant Ranch Principal

Dear Grant Ranch Families,

Welcome back! I hope you had a restful summer full of fun and are relaxed, recharged and ready to start a new school year. I am so grateful that you are part of our amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your child(ren). I have missed them tremendously! You may be anxious about the first quarter with Remote Learning and, beyond that, with the eventual return of hybrid and full in-person learning. I can assure that we have made thorough plans to meet the needs of all of our students.

Our school day for K-5 students will be 8:00-2:25. Our school day for Middle school will be from 7:35-2:35. If students require extra support or you have questions teachers will hold office hours from 2:35-3:00. All information, learning materials, and assignments will be housed in Seesaw for K-5 and Schoology for our middle school students including the links for the live lessons in Google Meets. The schedule includes time for whole group and small group instruction where students can receive personalized help just like they would in the classroom. Art, Music and PE will provide one weekly lesson for students to complete independently.

All signs point to another incredible and productive school year. Our skilled and devoted staff is already planning and preparing for your child(ren). Our enthusiastic office team is registering new families, ordering needed materials for our return to in person learning and updating student files in preparation for the new year. Our hard working and conscientious custodians have spent the entire summer thoroughly cleaning and, more importantly disinfecting, the facility and will continue to do so daily throughout the school year following the COVID-19 guidelines and guardrails. And, our much-appreciated PTO is gearing up to welcome families, provide volunteer opportunities, and offer other exciting events and programs. We are indeed a joyous and caring community with the common goals of nurturing responsible, caring students and promoting high-level learning.

A Message from the Principal, continued...

Normally I would be inviting you to the school to visit or to volunteer but because of the pandemic, the school is closed to all visitors. I will be offering two regular weekly chats through Google Meets. These will occur on Tuesday afternoons at 3pm or Wednesdays at 9 am starting August 25th or 26th. Here is the link for those meetings: <https://meet.google.com/tdy-xvdr-bdw>. I thank you in advance for your patience in this ever changing world of the pandemic. Our decisions are based on the safety of our students and staff. It is an honor and privilege to continue serving as your principal. Together, I know we will make this school year one of growth and achievement for all children despite the challenges!
