Thank you to the Grant Ranch community for supporting the Destination Imagination fundraiser at Skate City on October 24th. We appreciate the support of our community! Don't miss out on our next fundraiser on March 5th, 2019.

Congratulations to Cora Morang, a Grant Ranch 8th grader. She has been matched with a mentor through the Academic Mentors Program and the Gifted and Talented department. Cora will be working with a mentor in makeup artistry on the set of a mini-series. Congratulations to Cora, again, on being able to develop her passion and career path!

Grant Ranch Learning Garden

In August, 2nd, 4th, and 6th grade students planted the learning garden located on the front side of the school. Through the last two months students and teachers have helped water and care for our growing seeds. We will be harvesting the veggies on November 7th. Students will have the opportunity to taste test the vegetables they helped grow. We will plant again in the spring. Please reach out to Nicole Huston if your family would like to be part of the garden team.

Sponsorship space in this newsletter is extremely affordable! Reach parents in your local community & support schools! Businesses that want to sponsor this school, please contact TSCA at info@tscaschools.com or 970-239-1641.
