## Get Started

What is MyTech?	Who can I contact?
<ul style="list-style-type: none"> <li>• MyTech is a bond-funded DPS program that ensures <b>EVERY DPS student has access to both a personal DPS-issued Chromebook and home Internet access</b> (through a hotspot or broadband sponsorship, based on need and qualification).</li> <li>• <b>Access to technology is a fundamental right</b> and learning necessity, and our aim is for every DPS student to become digitally literate. DPS is committed to liberating teaching and learning through culturally responsive and inclusive integration of technology and library resources. The MyTech program is a key component of that mission.</li> </ul>	<p>For any issues with your child's Chromebook over the summer, call the Department of Technology Services (DoTS) Student and Family Tech Support line at <b>720-423-3163</b>.</p> <p><a href="#">Family and Community Engagement</a></p> <p><a href="#">Find your student's school</a></p>

## Additional Information and Resources

### Informational

- All students in grades 2-5 should be taking their Chromebooks home from school daily.
- For the summer, all students in grades K-12 should take their devices home, unless they are leaving the district or transitioning to a DPS charter school for the 2022-2023 school year.
- The [MyTech Agreement](#) that was part of registration covers expectations around taking devices home. However, if you'd like to send additional documentation to your families, please take a look at the resources below.
