

Parking Lot Safety

Welcome back to school! Our priority is to keep all of our students and community safe. Please be sure to review the school expectations for our parking lot.

- ✓ Follow the traffic pattern. Our parking lot is ONE WAY traffic. 

- ✓ Pull to the side. Do not stop in the middle of the parking lot.

- ✓ Cross the street at the crosswalk with the stop sign crossing guard.

- ✓ Refrain from cell phone use.

We appreciate your help in keeping all of our community safe.

Thank you!
